## Domain Registrations

### Popular Domains

Domain Name	.uk	.com, .org, .biz, .net, .info, .name
Registration Fees (p.a.)	£3.50	£10.00

Please note that .uk domain names must be registered for a minimum of two years, .name domain names can be registered for one, two or ten years. .com, .net, .org, .biz & .info domain names can be registered for any number of years from one to ten.

### Other Domains

Domain Name	.tv, .cc	uk.com, eu.com, gb.com, gb.net, uk.net
Registration Fees (p.a.)	£37.50	£37.50

Please note that .uk.com, .eu.com, gb.com, gb.net & uk.net must be registered for a minimum of two years.

Web Hosting Accounts normally take between 24 hrs and 48 hrs before they become active. Domain registrations take a similar time. You may be able to connect to the hosting control panel sooner by using the IP address assigned, but the Domain DNS entries can take a while to be replicated across the Internet.
